My team would like to play in the following league*:

- ☐ A Division – for the best players
- ☐ B Division – for teams that are good but not A Division caliber
- ☐ C Division – for competitive teams that do not have home run hitters, but are solid base hitting teams that play good defense
- ☐ D Division – for recreational teams that just want to have fun and do not wish to play against teams that are much more talented.

*We require at least four teams in each division. If we receive less than four teams for a particular division than we may combine the divisions and then separate for the tournament.

We hereby apply for admission to the Coed Softball League and acknowledge that all play will be governed by ASA rules, as well as the rules set forth by the West Lafayette Parks & Recreation Department. We hereby acknowledge receipt and agree to be governed by these rules.
